### United Church of Canada Remit 6: One Order of Ministry

At the 42nd General Council Meeting in 2015, recommended the creation of one order of ministry.

At present, there is one order of ministry that is made up of ordained minister, ordained to word, sacrament and pastoral care, and diaconal ministers, commissioned to education, service and pastoral care. There is also a category of ministry made up of those who are recognized as designated lay ministers following successful completion of a specific program of study. At our Annual Congregational Meeting on February 25th, 2018, our congregation will be voting on the following question: **Does the pastoral charge agree that there should be one new order of ministry encompassing the present categories of recognized designated lay minister, diaconal ministers, and ordained ministers, with ordination to the ministry of word, sacrament, education, service and pastoral care as the single rite of entry, and with provision for the continued identity of the diakonia (ministry or service) within the ordained ministry?**

Printed material is available on the table at the back of the church as well as on the table just outside the sanctuary, near the church office. Please feel free to borrow this material and return it when you're finished, so that others can read it as well.

For more information, stay after church on January 14th, for a webinar presentation in the sanctuary. Feel free to bring your lunch! If you have any questions, please speak with Rev. Julie.
